The Township may deduct any amount under this paragraph from any monies that may be due or payable to the Successful Bidder on any account whatsoever. The liquidated damages payable under this paragraph are in addition to and without prejudice to any other remedy, action or alternative that may be available to the Corporation.

The Successful Bidder shall not be assessed with liquidation damages for any delay caused by Acts of God or of the Public Enemy, Acts of the Province or of any Foreign State, Fire, Flood, Epidemics, Quarantine, Restrictions, Embargoes, Labour Disruptions, Strikes, Lockouts or delays due to such causes, then the time of delivery shall be extended for a period of time equal to the time lost to such delay.

2.12 Tender Selection

2.12.1 Evaluation Stages and Total Evaluation Points Available

The Township of Minden Hills will conduct the evaluation of Tenders in three (3) stages as follows:

Stage 1 – RFT Review (pass/fail)

A review will be undertaken to determine if the submitted Tender complies with all the mandatory requirements (inclusion of all Appendices and compliance with Appendix A - Submission Requirements and deadline).

Tenders that do not comply with the mandatory requirements shall, subject to the reserved rights of the Township of Minden Hills and the Township's Procurement Policy, be disqualified and not evaluated further.

Stage 2 – Rated Criteria (50 points)

Stage 2 will consist of a scoring by the Roads Superintendent of each qualified Tender on the basis of the detailed criteria as displayed in and follow up of the information provided in in Appendix B - Experience, References & Contingencies.

The following is an overview of the categories and weightings for the Stage 2 criteria of the RFP:

Criteria	Maximum Points
Ability & Experience of Bidder (Appendix B)	50
Total Points	50

At the end of this stage, the top 4 Bidders (where applicable) will be short-listed to move on to Stage 3.

Stage 3 – Evaluation and Pricing (50 points)

Stage 3 will consist of a scoring of the pricing submitted on Appendix I – Form of Tender. The evaluation of the price/cost shall be undertaken only after the first two (2) stages have been completed. Only those Bidders who move forward from Stage 2 will be scored here.

Each Bidder will receive a percentage of the total possible **50** points allocated to price by dividing the Bidder’s price into the lowest tender of the short-listed Bidders.

For example, if the lowest Tender price is \$120.00, that Bidder received 100% of the points ($120/120 = 100\%$), or **50** points. A Bidder who Tenders \$150 receives 80% of the possible points ($120/150 = 80\%$) or **40** points. A Bidder who Tenders \$240 receives 50% of the possible points ($120/240 = 50\%$) or **25** points.

Bidders should be aware that this is a “gated process”. Tenders will be initially evaluated on non-price based criteria first. From there, the highest scoring Tenders will be chosen to have their pricing evaluated in order to arrive at a total aggregate score for the best solutions.

2.12.2 Total Evaluation Points Available

Overall, a Bidder may receive a maximum of **100** Evaluation points as follows:

Criteria	Maximum Points
Stage 1 - Compliance with Submission Requirements	Pass/Fail
Stage 2 - Rated Criteria	50

Total	100
